LEAD A LIFE GROUP TODAY!

We encourage any of our Journey 301 graduates to take the 501 Life Group Leadership Classes. These are 6 classes intended to help you open a Life Group. There are a variety of groups and we are especially encouraging those of you who are celebrating Shabbat in your homes on a Friday night, to make it a life group and invite others in to participate with you.

Our Life Groups provide such a necessary link for our congregation and friends to connect with each other in a smaller setting. If your interested, please contact Pastor Cheryl at 972-313-7133 #44.
